

„Ageing and old age from an interdisciplinary perspective”

IST INTERNATIONAL SCIENTIFIC CONFERENCE

Jarosław, 24th of May 2024

Dear Ladies and Gentlemen,

On behalf of the organisers: the Faculty of Health Care of the Bronisław Markiewicz State University of Applied Sciences in Jarosław, the Polish Gerontological Society - Podkarpackie Branch, the Independent Public Health Care Facility in Przeworsk, I have the honour and pleasure to invite you to participate in the 1st International Scientific Conference entitled: "Ageing and old age from an interdisciplinary perspective", which will be held on 24th of May 2024 at the State University of Applied Sciences in Jarosław.

The conference is an invitation primarily aimed at the professional group of nurses, doctors, physiotherapists, social workers, students and graduates in these fields, as well as older people and their carers. We also invite representatives of the scientific community to the discussion, including: gerontologists, philosophers, sociologists, educationalists, psychologists, as well as representatives of local and governmental authorities.

Participation in the Conference will provide an opportunity to exchange experiences, views and to present one's own scientific achievements on the presented issues.

We hope that participation in the 1st International Scientific Conference "Ageing and old age from an interdisciplinary perspective" will enable, those taking part, to deepen their knowledge, as well as to establish scientific and professional cooperation.

We warmly welcome you.
